Ceremony

“Love the Lord your God with all your heart and with all your soul and with all your strength. These commandments that I give you today are to be upon your hearts. Impress them on your children. Talk about them when you sit at home and when you walk along the road, when you lie down and when you get up. Tie them as symbols on your hands and bind them on your foreheads. Write them on the doorframes of your houses and on your gates.” Deuteronomy 6:5-9

Dear Class of 2020,

It is interesting that the graduation ceremony is called “COMMENCEMENT.” In the English dictionary, the word “COMMENCEMENT” means “a beginning or start.” That’s significant because we seem to always think of “commencement ceremonies” as the end! In fact, it’s the beginning. The beginning of ALL that is available to you!

You have worked hard, overcome obstacles and learned so much. Way to go! There is a reason that in our ceremony, it is your parents who present you with your diplomas. In doing so, we recognize the importance of your parents in what you have accomplished. They have also worked hard, taken a less-traveled path and persevered, often with great sacrifice. We congratulate you all!

As you step forward in this next phase of your life, make sure you always seek God first and follow His lead. Let Him write the story of your life. Then you can be assured that you will meet with success in the truest sense of the word. As it says in Proverbs 3:5-6, “Trust the Lord with all your heart, and don’t depend on your own understanding. Remember the Lord in all you do, and he will give you success” (NCV).

Congratulations and God bless you as you step into your next adventure!
